

Temple Sinai Nursery School
Food Allergy Posting Information
(Please fill out only if your child has an allergy)

In accordance with Washington, D.C. licensing requirements, NAEYC guidelines and our own desire to protect all children in our care, we will be posting information about your child's food allergies in our school kitchen and in your child's classroom as visual reminders to all those who come in contact with food provided to your child.

I acknowledge that I have been notified that Temple Sinai Nursery School will post the following information in the TSNS kitchen and in my child's classroom.

Name of Child

| Allergies | If contact with this food accidentally occurs, what course of action should TSNS take? |
