### IMPORTANT INFORMATION REGARDING YOUR CHILD'S UNIVERSAL HEALTH CERTIFICATE

- Every child enrolled at TSNS is required by the D.C. Office of the State Superintendent of Education to have a Universal Health Certificate on file.
- The Universal Health Certificate is a 2-sided form. A Parent's signature is required on the front and the physician's signature is required on both sides of the form.
- Please fill out the form completely – including part 1 (child's personal information).

#### **\*FAMILIES NEW TO TSNS IN THE FALL\***

- All children are required to have a TB test and a lead screening test BEFORE they come to school.
- This information must be included on the attached Universal Health Certificate.
- This applies to all children, whether you live in D.C., MD or VA.

#### **\*RETURNING FAMILIES ENROLLED AT TSNS DURING THE 2017-2018 SCHOOL YEAR\***

- Health Certificates and immunization records on file at TSNS expire on the anniversary date of your child's last physical.
- Upon the expiration date of your child's current Health Certificate, a new Universal Health Certificate must be submitted or your child will not be able to attend school.
- If you are a returning student and it is not yet time for your child's annual physical and/or immunizations, you do not need to provide a new form before the start of school.

**Thank you.**
