## Bimah Flowers Sponsorship

Each year our many High Holiday services are enhanced by the beautiful flowers on the bimah. On Sukkot we celebrate the holiday by building and decorating a sukkah and decorating the bimah areas with autumn harvest decor. As in past years, there is the opportunity to dedicate bimah flowers for holidays that are meaningful to you. All dedications for the High Holidays are acknowledged during High Holiday services as well as in Temple Sinai annual donor listings.

# Yizkor (Memorial) Book

We will be producing a Yizkor (Memorial) Book, which will be made available to congregants during the Yizkor Service on the afternoon of Yom Kippur and via digital copy. This book includes the names of members and relatives of members who have passed away within the last year and provides an opportunity for all members to list and memorialize relatives who have passed in years past. If you would like to have your loved ones memorialized in the Yizkor Book, a donation in their memory is appreciated.

This form **MUST** be returned each year; we do not carry names forward automatically. If you would like to use the same listing as last year, please check here.

**Complete the section below for a new or revised entry**
